

ICES

Integrated Community Equipment Service for Derbyshire

Induction Training Days 2012

We are now offering detailed induction training days at Medequip's Alfreton Store for all new Prescribers and for those who would benefit from a refresher.

The session includes; a brief history of ICES, introduction to the Service Manual and the processes to use the service efficiently and cost effectively, a demonstration of on-line ordering and a tour of the store.

Training is held at the Medequip Store in Alfreton, the session starts at 9:30am and finish no later than 12.30pm

To book: Choose from a date below and e-mail:

Matthew.Walker@derbyshire.gov.uk

Include: Name, Course date and contact details.

or phone: 01629 532036
